WALK-IN INTERVIEW/ WRITTEN TEST

Candidates are invited to attend Walk-In Interview / Written Test between 9.30 AM to 10.00 AM for project posts under the various projects on contract basis as detailed below (please refer Website for changes if any in the date of interview).

1	Name of the Project	Causal Inference from Observational Studies (CAUSIT)
	Name of the post	Project Technical Assistant
	Place of Interview	ICMR-NIE
	Date of interview	15.12.2022
	No. of posts & Category	01 (UR)
	Place of posting	ICMR-NIE, Chennai
	Essential Qualification	<ul style="list-style-type: none">Bachelor degree in Electronic media/Mass communication/Cinematography/Electronics/Visual arts/Studio & technology/Visual communication from a recognized university with three years work experience in videography/ multimedia/ graphic designing/ visual editing/ TV program productionORMaster degree in Electronic media/Mass communication/Cinematography/Electronics/Visual arts/Studio & technology/ Visual communication from a recognized university
	Desirable Qualification and Experience	<ol style="list-style-type: none">Knowledge of computer applications for video/audio editing and recording.Experience in graphic designing, video shooting/production/ broadcasting/editing/webpage designing.
	Remuneration	Rs. 31,000/- per month
	Age Limit	30 Years
Nature of Duty	<ul style="list-style-type: none">Operating Digital SLR camera, Professional HD video camera etc and carrying out videography/photography.	

	<ul style="list-style-type: none"> • Video editing, create animations, edit digital images etc. • Production of lecture videos. • Arrange live transmission events. • Overall operation and maintenance of studio room and equipment's. • Maintain records/registers/documents in the studio. • Coordinate with various faculty. • Any other work that may be assigned by the PI/Director
Duration	06 Months

2	Name of the Project	Immunogenicity of rabies vaccine using an abridged Cambodia regimen and updated Thai Red Cross regimen in healthy volunteers in India: A parallel multicentric randomized open label trial.
	Name of the post	Project Scientist – B (Medical)
	Place of Interview	ICMR-NIE
	Date of interview	14.12.2022
	No. of posts & Category	02 (OBC-1, SC-1)
	Place of posting	ICMR-NIE, Chennai
	Essential Qualification	<ul style="list-style-type: none"> • MBBS Degree with one year Research/Teaching experience. <p style="text-align: center;">OR</p> <ul style="list-style-type: none"> • MD in PSM/Clinical Subjects from a recognized University after MBBS/
	Desirable Qualification and Experience	<ul style="list-style-type: none"> • MPH • Experience in working in vaccine related clinical trials • Working knowledge in Computers • Able to speak in Tamil
	Remuneration	Rs. 61,000/- plus HRA per month
Age Limit	OBC - 38 Years SC – 40 Years	
Nature of Duty	<ul style="list-style-type: none"> • In charge of planning, implementation and supervision of the project. • Screening the subjects for the clinical trial • Overseeing study progress such as enrolment, follow-up, and documentation • Coordinate with site officials in the implementation of the project • Ensure timely data management and reporting Plan, execute and coordinate the fieldwork, sample collection, testing, and result sharing. • Prepare daily/weekly and periodic technical reports on the status of the study 	

	<ul style="list-style-type: none"> Perform any other work assigned by the Director / PI/ Co-PI / Superior Officer
Duration	6 Months (May be extended based on satisfactory performance and continuation of the project)

3	Name of the Project	Immunogenicity of rabies vaccine using an abridged Cambodia regimen and updated Thai Red Cross regimen in healthy volunteers in India: A parallel multicentric randomized open label trial.
	Name of the post	Project Research Assistant
	Place of Interview	ICMR-NIE
	Date of interview	14.12.2022
	No. of posts & Category	02 (OBC-1, SC-1)

Duration	6 Months (May be extended based on satisfactory performance and continuation of the project)	

5	Name of the Project	Establishment of surveillance system in a rural population cohort for describing epidemiology of SARS CoV-2, Dengue and Chikungunya Infection towards setting up of field based clinical trial site in Model Rural Health Research Unit in Tirunelveli, Tamil Nadu (CoDenChik)
	Name of the post	Project Scientist – B (Non-Medical) (Lab)
	Place of Interview	ICMR-NIE
	Date of interview	12.12.2022
	No. of posts & Category	01 (UR)
	Place of posting	Model Rural Health Research Unit, Govt. Primary Health Centre campus, Kallur, Tirunelveli District, Tamil Nadu
	Essential Qualification	<ul style="list-style-type: none"> First class Master's degree in Microbiology/ Medical Lab Technology/Virology/Molecular Biology from a recognized university with 2 years R&D/ teaching experience in the Relevant subject. <p>(OR)</p>

	<ul style="list-style-type: none"> • Second class Master degree in Microbiology/ Medical Lab Technology/Virology/Molecular Biology + PhD from a Recognized university in the above subjects.
Desirable Qualification and Experience	<ul style="list-style-type: none"> • Doctoral degree/ Post-doctoral experience in Microbiology/ Medical Lab Technology/ Virology/ Molecular Biology/ Infectious diseases. • Hands-on experience in performing endpoint PCR and Real Time PCR (qPCR). • Trained in GCP/GLP. • Good scientific writing skills evidenced by research publications. • Experience in biomedical research involving human samples and testing. • Knowledge of Computer Applications/Bioinformatics.
Remuneration	Rs.48,000/- Plus HRA per month
Age Limit	35 Years
Nature of Duty	<ul style="list-style-type: none"> • To provide support for planning, managing and implementation of laboratory component of the project. • Coordinate with clinical recruitment sites in the implementation of the project especially the laboratory component. • Prepare laboratory protocols/SOPs/teaching and training materials. • Supervise laboratory personnel. • Perform laboratory testing incl. end/ real time PCR etc. • Perform laboratory QA/QC for the project. • Responsible for Best Documentation practices in the laboratory component including maintenance of laboratory records, reports, inventory (logistics and samples). • Contribute to the preparation of project technical reports. • Any other work assigned by the Director/PI/Co-PI/Supervisory officer
Duration	03 Months (May be extended based on satisfactory performance and continuation of the project)

6	Name of the Project	Covid-19 epidemiological sub studies under the ongoing study strengthening /promoting evidence based advocacy or influenza prevention and control in India (INSPIRE II)
	Name of the post	Project Consultant (Medical/Non-medical)
	Place of Interview	ICMR-NIE
	Date of interview	12.12.2022
	No. of posts & Category	01 (UR)
	Place of posting	ICMR-NIE
	Essential Qualification	<p>Medical:</p> <ul style="list-style-type: none"> • MD / DNB in Community medicine/PSM or Master's degree in Epidemiology / Applied Epidemiology / Public Health / DPH / India – EIS (FETP) after MBBS or PhD in Epidemiology/Public Health after MBBS.

	<p style="text-align: center;">AND</p> <ul style="list-style-type: none"> 2. Published papers. <p><u>Non-medical:</u></p> <ul style="list-style-type: none"> Master's Degree in Epidemiology/ Applied Epidemiology/ Public Health/ DPH/ India-EIS (FETP) with R&D Experience. <p style="text-align: center;">AND</p> <ul style="list-style-type: none"> Published Papers.
Desirable Qualification and Experience	<ul style="list-style-type: none"> Experience in managing field-based health research surveys. Experience in writing research manuscripts. Proficiency in Tamil. Knowledge of Computer Applications and Data Management.
Remuneration	<p>Medical: Rs.1,00,000/- per month Non-medical: Rs. 70,000/- per month</p>
Age Limit	70 Years
Nature of Duty	<ul style="list-style-type: none"> Provide training to the project staff. Plan and supervise screening, recruitment and follow-up of the cohort participants. Troubleshoot issues in data collection in the field. Coordinate with the field and lab teams during the implementation of the project. Prepare periodic study reports. Develop manuscripts from the study data. Any other work assigned by Supervisory Officer
Duration	06 Months (May be extended based on satisfactory performance and continuation of the project)

7	Name of the Project	Establishment of surveillance system in a rural population cohort for describing epidemiology of SARS CoV-2, Dengue and Chikungunya Infection towards setting up of field based clinical trial site in Model Rural Health Research Unit in Tirunelveli, Tamil Nadu (CoDenChik)
	Name of the post	Project Scientist – C (Non-Medical)
	Place of Interview	ICMR-NIE
	Date of interview	12.12.2022
	No. of posts & Category	01 (UR)
	Place of posting	ICMR-NIE
	Essential Qualification	<ul style="list-style-type: none"> First class Master's degree in life sciences/Public Health / Epidemiology / Statistics / Biostatistics/Humanities with four years' experience in relevant field <p style="text-align: center;">OR</p> <ul style="list-style-type: none"> Second class Master's degree in the above subjects with PhD and four years' experience in relevant field

Desirable Qualification and Experience	<ul style="list-style-type: none"> Working knowledge in the area of disease surveillance and project management. Good communication skills: scientific writing as evidenced by publications in peer-reviewed scientific journals, proposal preparation and official communications. Knowledge of literature review using reference managers, data handling, analysis, interpretation and report writing. Training in GCP/GCLP. Working knowledge of statistical software including SPSS/Stata/R. Working knowledge of Tamil. Willingness to travel extensively to the field sites. Working knowledge of MS Office (descriptive and graphical representation)
Remuneration	Rs. 51,000/- plus HRA per month
Age Limit	40 Years
Nature of Duty	<ul style="list-style-type: none"> Coordinate with field site, PI/Co-PIs/Funding Agency/Other Stakeholders. M&E visits to field sites. Coordinate equipment and consumables procurement. Prepare and present the study related reports during the meetings (PPT, site update reports). Management of investigator's brochure. Prepare and submit documents to ethics committee. Human resource management. Conduct and coordinate GCP and study specific training programmes. Data Analysis, preparation of reports and manuscripts. SOP preparation. Assist PI in various project related activities. Any other work assigned by the Supervisory officers.
Duration	03 Months (May be extended based on satisfactory performance and continuation of the project)

8	Name of the Project	Improving efficiency of vaccination systems in multiple states in India - Hospital Based Sentinel Surveillance for S. pneumoniae and other Invasive Bacterial Disease (UNDP)
	Name of the post	Project Technical Assistant (Lab)
	Place of Interview	ICMR – NIE
	Date of interview	13.12.2022

No. of posts & Category	01 (ST)
Place of posting	ICMR – NIE
Essential Qualification	Graduate in Microbiology/ Medical Laboratory Technology from the recognized university with 3 years' work experience from recognized institution OR Masters in Microbiology/ Medical Laboratory Technology from recognized institution
Desirable Qualification and Experience	<ul style="list-style-type: none"> • Hands-on experience in clinical microbiological techniques as evidenced from work experience in recognized teaching, hospital/ medical research institutions • Hands-on experience in molecular techniques viz. Nucleic acid extractions, PCR/ qPCR etc. • Working knowledge of MS Office applications
Remuneration	Rs. 31,000/- Per month
Age Limit	35 years
Nature of Duty	<ul style="list-style-type: none"> • Coordinating with other project staff at hospital to ensure timely sample collection, testing and providing laboratory results within stipulated time. • Perform clinical specimen (CSF, Blood and other sterile body fluids, NP Swabs etc.) processing for point of care testing, bacteriological culture and identification, AST, PCR etc. as may be applicable/ required for the project. • Perform appropriate storage and shipment of specimens to designated laboratory. • Perform EQAS panel testing and ensuring high quality of the lab work in the project. • Assisting the Investigators in laboratory research activities relating to the project. • Any other duty assigned by the Investigators / Supervisory officers.
Duration	Six Months (May be extended based on satisfactory performance and continuation of the project)

9	Name of the Project	Covid-19 epidemiological sub studies under the ongoing study strengthening /promoting evidence based advocacy or influenza prevention and control in India (INSPIRE II)
	Name of the post	Project Staff Nurse
	Place of Interview	ICMR-NIE
	Date of interview	13.12.2022
	No. of posts & Category	01 (OBC)
	Place of posting	ICMR-NIE
	Essential Qualification	Diploma in Nursing / Midwifery (GNM) or equivalent and registered nurse or ANM with any state nursing council.

Desirable Qualification and Experience	<ul style="list-style-type: none"> • Experience in managing field-based health research surveys. • B.Sc. in Nursing. • Experience in data collection in field based health research surveys. • Experience in clinical examination. • Experience in blood collection. • Experience in collection of nasal and oro – pharyngeal Swabs. • Knowledge of computer applications.
Remuneration	Rs. 31,500/-
Age Limit	33 Years
Nature of Duty	<ul style="list-style-type: none"> • Coordinate/conduct field-based surveillance. • Collect socio-demographic information. • Carry out clinical assessment of study participants. • Collection of blood, oropharyngeal and nasal swabs. • Collect treatment related information from the participants. • To carry out hospital based surveillance. • Perform any other work assigned by the Director/PI/Co-PI/Supervisory officer.
Duration	06 Months (May be extended based on satisfactory performance and continuation of the project)

10	Name of the Project	USAID/JSI TB ACF
	Name of the post	Project Upper Division Clerk
	Place of Interview	ICMR – NIE
	Date of interview	15.12.2022
	No. of posts & Category	01 (SC)
	Place of posting	ICMR – NIE
	Essential Qualification	<ul style="list-style-type: none"> • 12th Pass or equivalent from a recognized board with 5 years' experience of administrative work (OR) • Graduate in any discipline with 2 years' experience of administration work. • A speed test of not less than 8000 key depressions per hour through speed test on computer
	Desirable Qualification and Experience	<ul style="list-style-type: none"> • Good written and oral communication skills in English. • Advance computer knowledge (Data management, editing and DTP) • Experience in online course management.
	Remuneration	Rs.17,000/- per month
	Age Limit	SC - 33 Years
Nature of Duty	<ul style="list-style-type: none"> • Preparation of letters of correspondence etc. • Administrative work related to the project. • Any other work assigned by the PI/Co-PI/Superior Officer. 	

Duration	11 Months (Contract may be renewed on satisfactory performance for additional 6 months)
-----------------	---

11	Name of the Project	A Phase III, Multicenter, Randomized, Double-Blind, Placebo-Controlled Study to Evaluate the Efficacy, Immunogenicity and Safety of Single dose of Dengue Tetravalent Vaccine, Live Attenuated (Recombinant, Lyophilized) – “DengiAll” of Panacea biotec Limited in Healthy Indian Adults
	Name of the post	Project Scientist – B (Non-medical)
	Place of Interview	ICMR – NIE
	Date of interview	15.12.2022
	No. of posts & Category	01 (UR)
	Place of posting	ICMR-NIE
	Essential Qualification	<ul style="list-style-type: none"> • First class Master’s degree in Statistics/ Biostatistics from a recognized university with 2 years R&D/teaching experience in the Relevant subject. (OR) • Second class Master’s degree in Statistics/ Biostatistics + PhD from a Recognized university in the above subjects.
	Desirable Qualification and Experience	<ol style="list-style-type: none"> 1. Knowledge of data handling, analysis and interpretation, report writing. 2. Knowledge of computer applications and statistical software like SPSS, STATA&R 3. Working knowledge of MS Office applications (Work, Excel, PowerPoint) 4. Perform Statistical Analysis and Writing of reports etc. 5. Perform data QA/QC for the Project. 6. Responsible for best practices in the data management component of the project. 7. Experience in e-CRF creation in clinical trial database (Redcap) 8. Experience in data query generation, resolve and update. 9. Experience in clinical trial database management.
	Remuneration	Rs. 48,000/- plus HRA per month
Age Limit	35 Years	
Nature of Duty	<ul style="list-style-type: none"> • Perform protocol development, sample size calculation, protocol and CRF review, advise data management on database design and critical data. • Coordinate the development of analysis plans dummy table and programming. • Provide statistical input and review of deliverables for validation requirements. • Interpret analysis and craft statistical sections of integrated reports. • Should work closely with all other staff/investigators involved in this project to ensure project deliverables are 	

	<p>achieved in time.</p> <ul style="list-style-type: none"> • Should undertake M&E visits to surveillance sited. • Should independently, as part of the project team develop and contribute to manuscripts based on study data for publication in peer reviewed research journals. • Data analysis using statistical software. • Any other work assigned by the Director/ PI/ Co-PI Supervisory Officer.
Duration	04 Months (Renewable for the project duration subject to performance and project requirement)

Instructions to the candidates for Walk in Interview

1. Please bring the filled in application with one set of photocopy of qualification and experience and other testimonials.
2. Candidate should submit all certificates / testimonials in original for verification. Candidates who fail to bring the Original Certificates for written test / Interview will not be considered.
3. Age relaxation is admissible in respect of OBC candidates, Retrenched Government Employees, Departmental Candidates (including projects) in accordance with the instructions issued by the Central Government from time to time.
4. Experience certificate should clearly indicate the nature of duty during the period of employment. Appointment order, pay slip and offer of appointment will not be accepted in place of experience certificate. Experience certificate should contain salary per month and duration.
5. No-Objection Certificate from the current employer (for Govt./AB/PSU Servants only).
6. The above said post is Contractual for the duration offered. The appointment may be renewed after every specific period of time subject to satisfactory performance and project requirement.
7. The incumbents selected will have no claim for regular appointments under NIE/ICMR or continuation of his/her services in any other project.
8. TA/DA will not be paid by NIE for attending the written test/interview.
9. The Director, ICMR-NIE reserves the right to increase or decrease the number of posts or cancel the recruitment or re-advertise the posts, without assigning any reasons thereof, no further correspondence will be entertained in this regard.
10. Any further information may be downloaded from ICMR-NIE website (Careers) which will be updated from time to time.
11. **Date of Walk-in Interview may be changed due to administrative reasons, hence, candidates are advised to check website before appearing Walk-in Interview.**

The Director/Selection Committee has the right to accept / reject any application without assigning any reason thereof.

Canvassing and bringing pressure in any form for short listing, interview and employment will be a disqualification and barred from selection process.
